

**National Skilled Nursing Care Week 2019**  
**“Live Soulfully”**  
**May 12 - 18, 2019**

Every day, skilled nursing centers assist the people they serve in living their happiest and best lives. Whether it’s storytelling, cooking, friendly competition, performing or listening to music, we strive to help individuals find their own happiness to improve quality of life. The theme of this year’s National Skilled Nursing Care Week focuses on living soulfully. This week we will celebrate our residents, staff and volunteers as we help them achieve happy minds and healthy souls.
